

## GALAXY SERIES

### 60Watt LED Flood Light

- **Energy Efficient**
- **Robust**
- **Light Weight**
- **Waterproof**
- **Dual Voltage**

|                  |                               |
|------------------|-------------------------------|
| Product Code     | IV/LED/GS/60W                 |
| Input Voltage    | 100-240V                      |
| IP Rating        | 65                            |
| Approval         | I=0.27A (U=240V, P=64W)       |
| Input Power      | 60W±10%                       |
| Driver           | Meanwell                      |
| LED Arrangement  | 6P10S, Philips Lumileds Style |
| LED Type         | Lumi Bead LED                 |
| Luminous Flux    | 7500 LM                       |
| Light Efficiency | 125 LM/W                      |
| Measurement      | 438*238*130MM                 |
| Weight           | 6KG                           |
| Housing          | Die Cast Aluminium            |
| Glass            | Tempered                      |
